Scottsdale, Ariz – December 15, 2014 – Jeff Elias, Founder and CEO of Toltec Global Services, (TGS), presented a check to the Friends4Michael Foundation from Toltec's Charitable Foundation to Michael Kwinn, founder of The Friends4Michael Foundation. The check presentation was held recently at the University of Arizona, where the two met while pursuing their graduate degrees in Systems and Industrial Engineering (SIE).

The Friends4Michael Foundation was founded in 2003 to keep alive the memory and spirit of Michael's son Michael III who passed away from a brain tumor.

"We cannot thank Toltec Global Services enough for their tremendous support of our Foundation and for rising to Michael's Challenge to help other kids fighting a brain

tumor. Jeff knew Michael well and it is great to have our Foundation working closely with such a rising enterprise that Jeff has launched. We look forward to working with the entire team at Toltec Global Services to continue to help kids fighting a brain tumor and their families who are struggling. The Friends4Michael Foundation and Toltec Global Services are making a difference!" said Michael Kwinn, Founder of Friends4Michael Foundation.

According to Jeff Elias "I am so proud that Toltec Global Services is able to help such a worthy cause like the Friends4Michael Foundation and to present a check to Michael Kwinn to keep his wonderful son's legacy alive."

About Friends 4 Michael Foundation

Founded in 2003, the primary effort of the Foundation is to provide assistance, including financial, to families across the country whose children are fighting a brain tumor. The Foundation also provides support for directed charities which supported Michael in his memory. Finally, the Foundation continues to support the Race for Hope, which we call "Michael's Run" because this was Michael's way of giving back.
